April Green Drinks

Greens Drinks is a monthly networking event for people working toward environmentally sustainable solutions for businesses and institutions. With a lively mix of people from the business, non-profit, government and education sectors, conversations focus around waste reduction, water and energy conservation and other sustainable business practices.

This special Earth week event will also feature:

- Presentation of NFTA Good Going awards
- Demonstration of the GrowWNY.org website resource
- Free New Era caps to first 100 attendees
- Live music

Hosted by:

Upstate Green Business Network
Upstate Chapter of US Green Building Council
GrowWNY.org

Sponsored by:

Ecology & Environment
New Era Cap
The Knoer Group, PLLC
Erie County Environmental Education Institute
Rubberform Recycled Products

Save the Date!

May 11th Green Drinks at the Innovation Center on Buffalo Niagara Medical Campus. Join us for a tour of this LEED certified adaptive reuse building.
